REMINDERS: All players must check in the Pro Shop before all Tuesday sweeps and tournaments. HANDICAP REPORT

BRIAN WANZER, HANDICAP CHAIR

Hi again,

Congratulations to the most improved handicap players recognized at our luncheon last month. Since October the top 3 most improved handicap players are: Glen Walker, Richard Long, and Phil Steinbock....nice going...keep it up!

With the weather changing, cold and wet conditions, handicaps in general start going up. How do you not loose ground? Stay out of the rough, take an extra club on your approach, and aim for the center of the green. As you can tell the ball is not running up on the greens as much, and depending on the fairway, they are not running out there as well. Adjust your game this winter and you will keep playing well.

See you all next week at the tournament....stay dry and warm.....

Until next time,

Brian

Sunshine Alert

By *GIL LUCAS*

From time to time, someone in the Men's Golf Club or their spouse will have a serious illness or pass away. As head of the Sunshine Effort, I would like to be informed of these events so I can send the person or their family an appropriate card. Also, if the member agrees, this information will be publicized in our monthly Linksletter so all members will be aware.
