PRESIDENT'S REPORT

Rodger Oswald

Since this is the last President's Report I will be writing, I thought I would exercise "Executive Privilege" and discuss something unrelated to golf. We refer to this time of year as the "Holiday Season" – and it is aptly so called. We move from Thanksgiving to Christmas or Hanukkah or Kwanza to New Year's. This is an amazing time of the year when problems, difficulties, illness or other issues of the year are forgotten and people begin to express joy and extend good will. It is a time when people smile more, greet you with a Merry Christmas, Happy Holidays or Happy New Year and participate in celebrations

marked by gift-giving. It is a time of year when people send cards expressing various forms of faith and hope. Whether that faith and hope are in the gift of the Christ-child, a military victory and rededication of The Temple, the diversity marking a race of people or the expectations of a New Year, the season really does lift our spirits. Some of the cards you may receive or the ads on television will welcome PEACE; others will extend a prayer for HOPE; and still others will call on you to REJOICE.

My prayer for all of us is that we would experience that peace, hope and joy – all through the season, into 2020 and beyond. I pray God's best for you and for your loved ones. Thank you for the grace to move "outside the norm" so I can wish you all the best. Merry Christmas. Happy Hanukkah. Happy Kwanza Week. Happy New Year.

RULES CHAIRMAN

Roger Val

This month I will not specifically feature a rules situation but announce that there will not be any rule changes for 2020. The only information concerning the rules is the USGA's clarifications on the existing rules. These clarifications can be found on the USGA web site under PLAYING then under RULES HOME then under RULES CLARIFICATIONS. These clarifications will continue during the 2020 season as needed.

During the month of January the committee will be reviewing our Local Rules which will be up dated if necessary and ready for our first tournament in February.

Most importantly I want to wish you and your family a very Merry Christmas and Happy New Year and wish you the best golf ever for 2020.

Remember "It is what you think you know is what you don't know".

Roger

TOURNAMENT DIRECTOR

Gene Andrews

I want to thank all the members for all the help they've given and the fun that I've had over the past several years. I started working on the Linksletter in 2007 and working with the board ever since. Next year Mike Munro will be taking over the job duties as your tournament chairman look forward to helping them out when I can. He's going to start off the year by re-instituting the January tournament. I look forward to coming out as an observer, playing rather than rushing out there and getting the tournament going.....even though it's been a lot of fun.

Hit the ball well this year and remember to support your board and help them out by volunteering whenever you can to make this the best club ever.

HANDICAP REPORT

Brian Wanzer

Hello again, I have posted the most improved golfer report on the bulletin board. The quarterly winners will be announced next month. As a club we are down to only 63 of our members improving their handicap performance.

On another note the handicap system will be down the first 5 days of January, and you will not be able to post. I would also recommend that you review the new handicap changes on the Men's club website. It takes about 5 minutes to read, and it does have impact on how you score your rounds in the future.

Happy Holidays,

Brian

Golf Cart for Sale - \$2,850

Ford Think NEV.

My understanding is that Ford only built this vehicle in 2002. Therefore it is a 2002 model. Seats 2 people. Has Gel batteries. Batteries are not new, but still have enough charge to play a round of golf, go to the store, etc.

Minor damage to one fender. Otherwise in good condition.

Equipped with golf bag attachment for playing golf. Also have the inclement weather cover - fits snug with zippered 'doors.'

Asking \$2,850.
